COVID-19 PROTOCOLS/GUIDELINES

Hello Everyone!

Because of the rising number of COVID-19 cases, we have had to strengthen and update our COVID-19 protocols. Below is a list we **strongly encourage** everyone to follow to help keep everyone safe and limit potential exposure:

1. As mandated by the Andover School Department, anyone inside the Collins Center for the Performing Arts building and Andover High School property **MUST WEAR A MASK. Dancers must also wear a mask while performing on stage.** Anyone with a purchased ticket who feels uncomfortable sitting in the main area of the theater, may request to have their seat moved to the upper back sections of the theater to maintain a safe distance from others. This can be done at the box office.

2. **Once seated in the theater, we ask that everyone remain in their seats until intermission or until the end of the show,** unless it is an emergency. Move for the Movement is not a competition where people can come and go as different studios perform. It is in fact a show much like you would go to see at any other theater. Continually getting up and sitting down disrupts the other audience members and interferes with their enjoyment of the show.

3. Dance studios will be assigned to areas that separate them from other studios and companies as much as possible. We ask that all dancers remain in their designated areas at all times except traveling to and from the stage, or to purchase items from the concession, merchandise areas, or bathrooms (making sure to not linger in those areas). We also ask that parents stay in their seats and do not enter the students designated area unless it is an emergency.

4. As dancers approach the stage to perform, they need to maintain a safe distance from other dance groups waiting to go on stage. **Dancers will enter from stage right and exit from stage left ONLY.** There will be crossovers behind the back curtain. Please stress to your dancers that once the routine has ended, **move quickly off stage and exit the wings immediately** to avoid any backup and gathering.

5. As much as we know that dancers like to watch their fellow dancers perform, because of the current situation, dancers will NOT be allowed in the theater unless they have purchased a ticket in the main section of the theater and are seated with their family or friends, keeping in mind that we are asking patrons to remain seated until intermission or the end of the show.

6. Gathering at the top of the stairs to watch the show, even for a brief moment will not be allowed. It is important that those traffics areas stay clear and moving for the safety of all people watching the show. **No one will be allowed in the theater without a ticket.**

7. There will be designated areas for people to sit and eat or drink anything purchased from the concession stand.

8. When the show has ended, we request that everyone exit the theater in a timely manner to avoid large gatherings of people in the lobby area. Studio directors, please make sure your dancers gather their belongings and exit their designated dressing areas quickly so the parents do not have to wait in the lobby.

Thank you for taking the time to read through these protocols and helping us to maintain a safe environment for the dancers and those attending the show.

Regards,
Rose and J. Flynn

BLOCKING SCHEDULE

Saturday, January 15 @ 12pm
Andover, MA

Each studio will be allotted a **ten minute time slot** to get their dancers some stage time before the curtain opens. **Please check in with the stage manager when you arrive so we can try to stay on schedule.** If you miss your allotted time we will do our best to fit you in but there are no guarantees.

****Studio Owners/Teachers:** please allow younger dancers first priority before advanced dancers and/or use your discretion as to what numbers need blocking first. ****This is not a full run through and no music will be provided.**
